### **3. NEW BUSINESS**

#### **A. LCMPO Public Outreach**

- Information
- Staff has worked on logistics to set up booths at local events and functions: Back-to-school college fairs, health fairs, and other events that attract large and diverse segments of the public. This creates opportunity to engage the public and promote LCMPO activities: Transit survey; Complete Streets, safety; I-210 bridge traffic impact study; I-10 bridge preliminary alternatives, and Metropolitan Transportation Plan planning factors.
- Presenter: Cheri Soileau, LCMPO Director

#### **B. I-10 Bridge Preliminary Alternatives**

- Discussion
- Public comments and questions are due on I-10 Bridge preliminary Alternatives by September 14, 2017, [www.i10lakecharles.com](http://www.i10lakecharles.com). This is being implemented with FHWA and LaDOTD, in conjunction with HNTB consultants.
- Next steps include discussion of funding options and the MPO's role.
- Presenter: Cheri Soileau, LCMPO Director

#### **C. FHWA's Lake Charles MPO Programming Assessment**

- Discussion
- Staff has created a matrix based on a thorough assessment of LCMPO's activities by FHWA. Additionally, the full document will be provided to TAC and TPC.
- Presenter: Cheri Soileau, LCMPO Director

**D. 2045 Metropolitan Transportation Plan (MTP)/Long Range Transportation Plan (LRTP) Consultant Selection Process**

- Action Needed
- Statements of Qualifications for the Lake Charles Urbanized Area MTP 2045 were reviewed and scored by seven evaluators.
- \*Staff is seeking TAC recommendation, then TPC final approval for the selected consultant.
- Presenter: Cheri Soileau, LCMPO Director
